

## MORNING APPEAL

TUESDAY, JUNE 4

### THE SHERIFF AND THE "APPEAL."

Yesterday the startling announcement reached this office that the Sheriff of Ormsby county had stopped his Appeal.

We understand that the Sheriff is quite indignant that the Appeal should go so far as to question the expediency of any of his official acts. The Sheriff should bear in mind that this journal proposes to criticize the acts of any official from the Governor of the State down to the Constable of Pizen Switch.

It is a queer state of affairs when a journal cannot criticize the acts of a man it materially assisted in putting in office.

When the question of running Mr. Ulrick for Sheriff was broached, there was a decided opposition to it, as it was held that he ran once on a Mugwump ticket, and was therefore not entitled to any recognition from the Republican party.

The editor of the Appeal, in conversation with a conference of politicians, who were disposed to crush Ulrick, argued in his favor on the grounds that as Crisler's deputy he had made an excellent license collector, and that his zeal in that direction had saved the county a large amount of money. We argued further, that it was not always expedient to draw party lines too closely in the case of an officer who was the public servant alike of Republicans and Democrats, and that the welfare of the county was to be considered above the welfare of the party.

We also agreed to make a special fight for Mr. Ulrick on this ground, and in the campaign kept an array of figures before the public showing how superior his record as a license collector had been to Swift's, his opponent.

We do not pretend to say how much the Appeal contributed to the result, but the won and the other county candidates growled at the Appeal during the campaign because it alluded more to Ulrick's fight than anybody else's.

We merely make these statements to show, as we said before, that we have a double right to criticize the official acts of the Sheriff as a citizen and a taxpayer who pays him part of his salary, and also one who made a specially hard fight in his behalf.

It has been the custom in Nevada for the press to slobber over the Sheriff in the hope of getting his official patronage. We do not propose to exchange slobber for pap with anybody. We took the Sheriff to task for granting a peddler's license to the thieving, swindling soap game that runs with the circus, and we also alluded to his lethargy in the last stabbing affair in this city.

The Appeal, however, is hardly an echo of the criticism that has been current in this community since the time he deposited his deputy, Mr. Crisler. Had the voters known that he proposed deposing Crisler he would not have been elected.

His licensing the gambling games of the circus with a peddler's license, has been the talk of the community ever since.

The idea that the Sheriff of a county is a being above the reach of criticism is something to ridiculous to think of. The Appeal is published, not for the benefit of Mr. Ulrick, but for the people of Ormsby county.

### THE JOHNSTOWN DISASTER.

The calamity at Johnstown Pennsylvania is the most appalling in the history of the United States.

The bursting of a dam after over seventy hours of continuous rainfall swept away eighteen miles of houses in a few hours and rolled up a death loss of between eight and ten thousand souls.

The sweep of the waters overwhelmed people of all conditions of life, and mingled millionaires and paupers in one common grave.

Such a tremendous calamity has never before stricken the people of the United States, and it amounts

to a national disaster. The details in the dispatches which presents but a fragment of the natural facts, are too sickening for perusal.

When the houses were piled one on the other by the relentless flood, they caught fire and eight hundred people were roasted alive.

It will be weeks before the actual loss of life and property can be footed up.

Bismarck wants Samoa to pay for the vessels that the Almighty knocked out. Mataafa could tell Bismarck to go to the devil and be backed up by the entire world.

### PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 20 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any stallion that is alive today. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 2 32 and year-olds are out of St. Clair mares, namely: Fred Crocker-dam by St. Clair, two year old record 2 20 1/2; Bonito, dam by St. Clair, 2 year old record 2 24 1/2, 3 year old record 2 15 1/2; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colt-to-break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.
